6. Northern District: Rod Lewis, Vice President, reported that most of their officers are from Canada and not here. They have seen new players come out to play for fun, probably to get out of the house. They are also having players interested in board positions.
7. Central District: John Houghtaling welcomed Larry Brown back. He also stated that they had 30 amateurs playing in a District tournament last Thursday.

#### REPORTS FROM STANDING COMMITTEES:

1. Roberts Rules/Parliamentarian: Glenn had nothing.
2. State Tournament Director: Glenn stated that draws are made by tournament directors. No draws are to be made the night before a tournament. Also, a tournament director should not honor a request for a different court unless: (1) the assigned court is in an unplayable condition, (2) no other players have been required to play that court during the tournament, or (3) any of the assigned players have played on that court on that day.
3. Tournament Scheduling: refer to new business.
4. Previews: Colleen Austin reported that the Previews are not back from the printer. Dave will pick them up when they are ready and divide out for each district. He will take them to Trailer Estates on January 25 (P17A). Colleen reported that the previews cost \$8.50 (\$3.00 being charged for member purchase) and the FSA is paying the difference. No previews will be distributed without payment.
5. Executive/Finance: Joyce Smith stated that the treasury is in good shape at present. She stated that the Preview made a profit and the FSA saved money on the redline tournaments.
6. Publicity/Marketing: Venue Magazine interviewed Dave and had a small column.
7. Audit: Was done through January 31 and will be done again in March after a new president is installed
8. Rules/Regulations/Bylaws: Glenn Monroe had nothing
9. Hall of Fame (2022): Ray Buck noted that this will be in Southern District. There will probably have several inductees. Dave advised that a large room will be needed. Linda Rebholz reported that she has ordered the plaques for the inductees (three players and president's award). Joyce Smith reminded that we have to select a special award nominee (two letters have been received). Nominations for special awards must be in to the FSA before September 1.
10. Advisory Board: Phil Rebholz stated that Dave will be ending his presidency and thanked him and the board for a job well done during this pandemic.

11. Masters Tournament (2021): The tournament will be held at Bradenton instead of Palmetto. Ron reported that the City is doing a lot of work on the building, etc. He reported that they now have lights and can have night play. One of their projects is to contact the schools for youth. He also stated that this will be a “no frills” masters. It was reported that St. Petersburg is not able to hold this tournament, as originally suggested, because of lack of help.

#### UNFINISHED BUSINESS:

1. SE Coast Request on Registration fee: tabled to March
2. Registration fees state tournaments: tabled to march

3. 2019-2020 Masters: (This item was tabled from the November meeting): Dave stated that he wanted the three (3) new players who did not get to participate, because of the cancelled Masters, be invited to participate in the presentation of jackets, etc. at the 2021 Masters. It was suggested that protocols might be amended to allow spectators, pushers, etc. It was also suggested that box lunches might be provided.

#### NEW BUSINESS:

1. President Message: Tabled to March

2. Tournament Scheduling (2020-2021): Dave stated that P18 and P23 are open. He would like P18 to be held at Sebring and P23 to be held at Lakeland. Coleen made a motion to hold P18 at Sebring and P23 to be held at Lakeland, seconded by John Houghtaling, and passed. Roger Smith stated that they are not sure of the number of players for P19 at Century Village and would like to change the format. Ken made a motion to waive Rule, Art. VIII and change format to “any doubles”, (for this tournament only), seconded by Roger Smith, and passed. It was noted that Leesburg had requested to replace the Tavares tournament (P20) and the Northern District board did not want to have responsibility for expense of a tournament director. Leesburg Club and Glenn Monroe are working this out and there will be no expense to Northern District. P24 and P26A will have answers within two weeks. Lakeland will host A18A (Pioneer Village is closed). It was noted that 25 players are needed in order to cover the cost of a tournament director. Dave reminded the board that this schedule is not to be distributed—the official schedule will be on the website.

John Houghtaling presented a Proposal to Maximize amateur participation in State and National Tournaments as follows: A18B is a regular, any doubles, State Amateur Tournament. ZSC is the host club and will host half the chart on the first day. Avon Park and Betmar will host one quarter each of the chart. ZSC will qualify four teams for the main and four teams for consolation. Avon Park and Betmar will qualify two teams for the main and two teams for consolation. All teams will convene at ZSC for the quarters, semis and the championship round on the second day. These 16 teams will utilize all 8 courts available at ZSC. In the case where someone that qualifies decides not to take part the second day, that slot will be offered the next team in line. This tournament will give us chance to learn of any glitches or problems that need to be corrected before the National Tournament. The Nationals will have a men’s and women’s field to further try to draw additional amateurs, especially women. ZSC will qualify two

men's teams and two women's teams in main and consolation. Avon Park and Betmar will qualify one men's and one women's team in main and consolation. All 16 teams will convene at ZSC on the second day to play the semi's and championship rounds in the men's and women's fields. The prize for a National championship is the "once in a lifetime" Pin. Several people are donating to the prize money. Additional tournament directors will be paid by Earl Ball. Motion to accept this proposal as a trial was made by John Houghtaling, seconded by Bob Hovatter, and passed.

4. 2021-2022 Schedule: Port Charlotte is closed so P01A and A13 will be held at Lee County. P01B will be the Gus Bondi Memorial at Zephyrhills. Bob Hovatter made a motion to approve the 2021-2022 schedule, seconded by Steve Raimondi, and passed.

3. Revisit 10 Day Notice #12: Nancy Sclafani stated that she contacted Tom Winkelspecht about his original 10-day notice, which she read. Nancy made a motion for the notice eliminating the wording "and without notifying the director the previous day that the team would not be returning", seconded by Tom Winkelspecht. Bob Hovatter then amended the notice to add "without notifying the tournament director", seconded by Frank Niziolek. A vote was taken on the amended notice and passed. "Art. 10-Trophies and prized 10(f) will be as follows: Players who abandon a tournament, without notifying the tournament director, will receive no prize money or points. Prize money will go back to the host club. Additionally, the standings report will list no names for the position involved, stating only "did not finish". Definition of "abandon" - for a team to leave a tournament when eligible to play on, and the opposition team is present to play."

It was noted that two awards are permitted. A ballot vote was taken and Jeannie Andrews will receive the Hall Of Fame Special Award.

There was a moment of silence for Sue Minnich, Hall of Fame player who just passed away, and a prayer for Dave, her husband. Sue will be greatly missed.

Motion to adjourn was made by Colleen Austin, seconded by Doris Hanke. Meeting adjourned at 3:15 pm.

Respectfully Submitted

Linda Rebholz, FSA Secretary
