All F.S.A. Members, Clubs, Tournament Directors and District Boards

Enclosure: [Pandemic Protocols for F.S.A. Tournaments](#)

Greetings to all:

In response to limitations instituted to control the COVID-19 pandemic, the F.S.A. Executive Board, in conjunction with the Rules Committee and the State Tournament Director, has devised a set of protocols to be implemented for the upcoming shuffleboard season. The protocols may be revised as dictated by the F.S.A. or other competent authority.

District Boards and Host Clubs should familiarized themselves with guidelines provided by the Center for Disease Control (<https://floridahealthcovid19.gov/community-events/>), State and Local governments and facility owners.

All Host Clubs must notify the F.S.A. [Keeper of Records](#) in writing prior to September 16, 2020 that they either agree to abide by these protocols and those issued by Federal, State and Local authorities and facility owners, or that they decline to host any or all their assigned tournaments under these provisions. Host clubs who decline to host or fail to respond in a timely manner face reassignment of their tournament(s) during the period that these protocols are in effect.

Sincerely,

David Kudro

President
