By-Law Section 3, E(a)

Change to read: "...Alternate State Delegate, and President of each affiliated Club or their duly appointed representative."

The elimination of National and Alternate National Delegate is necessary since that position no longer exists at the District level. Also, "his" is changed to "their" for gender neutrality.

By-Law Section 3, F(c)

To be eliminated in its entirety as the positions of District and Alternate District National Representatives no longer exist.
