STATE AND DISTRICT TOURNAMENT REGULATIONS - ARTICLE 4 (g)

Art. 4 - SCHEDULING OF TOURNAMENTS

Currently reads:

(g) The number of places in all State Sponsored and Statewide Tournaments will be determined by the size of the field in each division. (The above statement and what followed has been rescinded – October 2012, and the following added – January 2013) If there are less than 8 players in the walking division at the Tournament of Champions and State and National Singles that begin on Monday, the divisions will be non-walking. (March 2021).

CHANGE AS FOLLOWS:

(g) The number of places in all State Sponsored and Statewide Tournaments will be determined by the size of the field in each division. ~~(The above statement and what followed has been rescinded – October 2012, and the following added – January 2013)~~ If there are less than **12** players in the walking division at the Tournament of Champions and State and National Singles that begin on Monday, the divisions will be non-walking.

REASON:

Having only 8 players in a Division results in automatic points for all players, except 4th in Consolation, in that Division, and it takes away from the players in the Non Walking division from possibly being awarded full points.
